

This Year our

church will be rocking with excitement! Our Crocodile Dock program will provide lots of fun and memorable Bible - learning activities for kids of all ages. They will also take part in a mission project that will help the children understand what it means to follow Jesus.

Each Morning the

kids will sing upbeat action songs, play wild games, nibble lip-smacking snacks, watch Chadder's Bayou Adventure videos, experience mind-blowing Bible adventures, and create Amazing Crafts to take home.

Children are assigned -

Our 4 and 5-year-old children will be grouped together in their own, age-appropriate groups with crafts, songs, games, and activities geared to their level of understanding.

The 1st through 4th graders will be assigned to age appropriate groups, led by a Crew Leader who stays and participates with their group the whole morning.

Mission Possible

Kids entering 5th and 6th grades are invited to be part of *Mission Possible*, a week of fun, fellowship and service that teaches them about different missions in Red Bank and beyond! Specific information about these missions will be mailed to participants in early July.
